

Centre for District Training

Considering the work load and lack of proper in-service training programme for the government servants, the Center for District Training has been established at BIPARD to enhance the efficiency of the state government functionaries at district level. The main target of the training programme is class III and IV employees. Areas covered under district training programme are -

- ✦ Common Office Procedures,
- ✦ Common Establishment Matters,
- ✦ Common Financial Rules and Procedures, and
- ✦ Pension and other retirement benefits.
- ✦ Disaster Management and Right to Information Act.
- ✦ Disaster Management, and
- ✦ Right to Information Act.

With the support of UNDP the centre has already completed five days training of officials and staff belonging to the district of Vaishali, Nalanda and Jehanabad and Nawada.
